SOUTHMOORE HIGH SENIOR SALUTES

Each year, families and friends of the seniors purchase quarter, half or full page salutes to celebrate their accomplishments. These are designed by the yearbook staff and featured in the yearbook. Please try and make sure your photos are 300 DPI for best quality printing and follow the requirements below for the size you select. Final content and design of each salute rests with the editorial staff.

We will design the ad for you. The book is entered into competition and we are judged on consistency of the ad section. Simply bring all photos, your typed message to Mrs. Powell in room S110 or email your photos and message to southmoore-yearbook@gmail.com.
